

**Association of Professional Aestheticians of Australia**  
**NATIONAL AWARDS OF EXCELLENCE 2012**  
**Official Entry Form**

The Association of Professional Aestheticians of Australia (APAA) each year hosts the prestigious NATIONAL AWARDS OF EXCELLENCE in a bid to encourage, recognise and award standards of excellence within the aesthetic industry.

The judging criteria of these awards have been carefully developed to assist establishments to benchmark their activities against recognised industry standards of excellence. The purpose of the awards is as much about motivation as it is about recognition and rewards, while their momentum continues to increase each year since their introduction eleven years ago. It is also encouraging to note that most winners have used their achievement as a springboard and a motivation to continue to reach higher levels of progress and success. And now it is your turn.
